Itineraries

Nha Trang - Yang Bay waterfall

8:30 Pick up at your hotel in Nha Trang and drive to Yangbay Waterfall. On the way, stop at Dien Khanh Citadel, a precious vestige for who want to study about ancient citadels. At Yang Bay, tourists can swim, walk around, go cycling or enjoy the sound of the “Dan da” - a typical musical instrument made of stone slabs of the Raglai ethnic people. Have lunch at restaurant near the waterfall. In the afternoon, discover the ancient ruins of Po Nagar Cham Towers. Finally, relax and gain your health in mud and mineral water bathing at Hot Mineral Spring Center. The inorganic mud comes from rocks and volcanic ash and is claimed to be both effective physical therapy and a cure for complexion problems. Transfer back to your hotel with lots of chance to observe local life.

Arrive at hotel around **17:00**. End of tour
