Day 2: Life on the water and floating markets

Wake up well rested to the sound of the Mekong river and get ready for another exciting day of sightseeing in the Mekong Delta. At 6.30h the cruise vessel sets off for a sunrise cruise. Watch the locals go about their daily work drying exotic fruits and building ships on the wooden yards while enjoying an early breakfast.

After breakfast, we will board a sampan boat to Cai Be or Cai Rang floating market, the region's busiest and most lively markets. Marvel at the sheer abundance of exotic fruits, vegetables and skilfully handcrafted regional products. We will pull up to the boats for talking and bargaining with the merchants. We will also visit some of the local candy and cake making factories or boat through the green water landscape to see local houses, verdant orchards and ship-building yards.

The floating markets in the Mekong Delta are no tourist markets but wholesale markets where produce of the Mekong Delta like fruits and vegetables are traded. For this reason the number of boats on the market fluctuates depending on harvesting seasons and market demand. Furthermore, modern wholesale markets are becoming more popular in Vietnam. This can result in decreasing numbers of boats being present on the markets.

Disembark the boat at around 11.00 — 11.30h on the pier and enjoy lunch at a local restaurant. Sit back in the shuttle (bus or car) and watch the water landscape from a land perspective until you reach Chau Doc where we bring you to your hotel. Depending on your budget you can choose the famous colonial-style Victoria hotel (superior room) or a family managed local 2-star hotel.
