Day 2: Life on the water and floating markets

Wake up well rested to the sound of the river and get ready for another exciting day of sightseeing in the Mekong Delta. At 6.30h the cruise vessel sets off for a sunrise cruise. Watch the locals go about their daily work drying exotic fruits and building ships on the wooden yards while enjoying an early breakfast.

After breakfast, we will board a sampan boat to Cai Rang floating market, the region's busiest and most lively markets. On even dates, you will explore the small channels of the Mekong Delta around Cai Be with a small sampan or by foot. Marvel at the sheer abundance of exotic fruits and vegetables. We will pull up to the boats for talking and bargaining with the merchants. We will also visit some of the local candy and cake making factories or boat through the green water landscape to see local houses, verdant orchards and ship-building yards.

Later in the morning you can boat through the green water landscape on a little rowing sampan to see local houses, verdant orchards and ship-building yards. Alternatively you can discover the nearby town by foot or explore the small side canals of the Mekong river on a bicycle.

The cruise boat then resumes its journey as lunch is served. In the afternoon there will be another side trip to one of the exotic villages along the way.
