Itineraries

Day 1: Hanoi - Hai Phong - Lan Ha Bay

09:00 – 09:30: Optional air-conditioned transfer vehicle will collect you from your hotel in Hanoi and convey you to Hai Phong at approximately 11:30am.

12:00: You will be taken aboard our support vessel and travel from the wharf via the bay to board our luxurious craft, Sapphire Cruise. You will be welcomed aboard and greeted with a complimentary drink. Our friendly and professional crew will conduct a compulsory safety procedure session and then you are free to check into your cabin and freshen up. We encourage you to explore our luxuriously-appointed ship then watch the magical landscape cruise past.

13:15: A special lunch of fresh seafood and an assortment of appetizing delicacies will be served. You will be enchanted when decadently dining on our luxury junk, our lavish interpretation of a traditional Vietnamese boat.

Life just doesn't get better than this! We then set sail for Lan Ha Bay, passing Da Chong islet where you can see an ancient lighthouse built by the French over a century ago.

15:00: The final part of the cruise takes us through the Cua Van area to Lan Ha Bay (part of Halong Bay). The 300 or so karst islands and limestone outcrops of Lan Ha are stunning with their pristine, snow-white beaches.

You can explore Ba Trai Dao beach via kayaks or immerse yourself in the crystal clear waters.

17:00: It's time to return to your lavish liner and cruise to your evening accommodation.

17:30 – 18:30: Happy hour? We offer an extensive drinks list including special offers

such as two for one drinks.

19:15: You can spoil yourself with a unique Dinner in our distinctive restaurant.

20:45 - 12:00: It is now time to relax with an exotic cocktail and drink in the evening landscape. Our bar offers a wide range of wine, beer and liqueurs and is always a welcome sight for guests after a day sailing on the Bay.

You can order an indulgent spa service, watch movies, go squid ?shing or simply relax on our roof top deck under the cover of a brightly illuminated sky.
